Ebensburg Country Club 2022 New Member Incentive Program

NEW - Bring in a New Member and split the dues for the first year!

- New Member pays half of membership plus chit. The only new memberships that apply are regular base memberships, senior memberships and all-inclusive memberships. All other memberships are excluded.
- New Member must not have been a member last year.
- Current Member will get credit for half of new member's dues or half of current member's dues, whichever is less.
- Current Member can receive discount for only one new member.
- If current member brings in a new member after his/her dues are paid, a refund will be issued for the applicable discount after the new member has paid their dues.
- All discounted dues for both current and new members must be paid in full. No monthly dues structure will apply. Any side deals between current members and new members will be outside of membership offer.

All disputes will be decided by the Board of Directors.

The following is a chart that indicates the net amount of dues for current members and new members based on the type of new member sponsored.

Split Dues Chart

New Base Member	Discounted Dues	Current Member Pays:	New Base Member Pays:
If base brings in new base	$1405 \times 50\% = 702.50$	$702.50 + 150 = 852.50$	$702.50 + 150 = 852.50$
If senior brings in new base	$1100 \times 50\% = 550$	$550 + 150 = 700$	$702.50 + 150 = 852.50$
If all-Inclusive brings in new base	$890 \times 50\% = 445 + 1650 = 2095$	$2095 + 150 = 2245$	$702.50 + 150 = 852.50$

New Senior Member	Discounted Dues	Current Member Pays:	New Senior Member Pays:
If base brings in new senior	$1100 \times 50\% = 550$	$1405 - 550 = 855 + 150 = 1005$	$550 + 150 = 700$
If senior brings in new senior	$1100 \times 50\% = 550$	$550 + 150 = 700$	$550 + 150 = 700$
If All-Inclusive brings in new senior	$890 \times 50\% = 445 + 1650 = 2095$	$2095 + 150 = 2245$	$550 + 150 = 700$

New All Inclusive Member	Discounted Dues	Current Member Pays:	New All Inclusive Member Pays:
If base brings in new All-Inclusive	$1405 \times 50\% = 702.50$	$702.50 + 150 = 852.50$	$2095 + 150 = 2245$
If senior brings in new All-Inclusive	$1100 \times 50\% = 525$	$550 + 150 = 700$	$2095 + 150 = 2245$
